

# Expression of Interest To Work with an ECPN Pedagogist

Please submit to: [ecpn@uwo.ca](mailto:ecpn@uwo.ca)

**Please note:** ECPN's Early Childhood Pedagogist Program is funded by the BC Ministry of Education and Child Care. Pedagogists work with a *cluster of ECE centres/classrooms*. The ECPN leadership team and pedagogists develop this cluster based on centre interest, location, size and type, as well as pedagogist availability and space within a cluster. As pedagogists are not yet available in all communities, we are not able to accommodate all interested centres.

## Project Alignment

Why are you interested in your program/centre/classroom having a pedagogist?

## Expression of Interest To Work with an ECPN Pedagogist

How do you envision the role of the pedagogist fitting into your program/centre/classroom (e.g., program delivery, organization mandate, mission, ethos, vision)?

Please provide as many examples as you can/want that demonstrate your organization's knowledge of, interest in, and/or *openness to* work with the BC Early Learning Framework (ELF) as a tool for early years professional practice and development.
